VOTE ON PROPOSED BY LAWS CHANGE—Pat Monahan

Proposal #1

Article V, Section 4

1. Annual membership dues will be on a rolling membership renewal schedule.

Rationale

New memberships naturally occur throughout the year. Our updated database system can manage a rolling membership renewal schedule. There are no negative financial implications to the change. Communications for the transition will explain the new rolling membership plan. Members will be solicited for renewal of their dues one year after they last paid. Each member will enjoy a 12 month membership

- Motion approved by all 26 members present; 0 opposing votes.
- Electronic + paper ballots: 62 + 298 votes for; 1 opposing vote. >>> *confirmed by the office; after delay in formal reporting due to power outage at the office.*
